## **Medium Level Disinfectant**

### **5 in 1 FORMULATION**

*Bactericidal  
Fungicidal  
Virucidal  
Deodoriser  
Yeasticidal*

SteriScent™ is our new formula in Metered Aerosol Fragrance containing Quadex (Sterifog). SteriScent™ with its five in one formula making it a first in the world product.

SteriScent™ also has the power to transform the emotions and make one feel completely melted in its magic. Various fragrances are available in these room air fresheners that elevate our state of mind. SteriScent™ creating a more pleasant environment for all to enjoy.

SteriScent™ (containing STERIFOG™) is harmless to humans but deadly to microbes. Eliminates (REMOVES) organic and all inorganic odour problems, NOT MASK THEM, by killing the germs that cause the odours and encapsulating the molecules creating odours. SteriScent™ has been developed to create CLEAN AIR for the benefit of Asthma Sufferers and the removal of harmful irritants and toxins present in indoor atmospheres.

### **Anti-Allergenic**

SteriScent™ and STERIFOG™ is much better as a cationic compound in denaturing protein in dust mite allergens. Denaturing is more effective in controlling allergies than actually killing mites because if the protein in the allergen is denatured it will not cause an allergic reaction.

## **WHERE CAN STERISCENT™ BE USED?**

Being safe to use where people congregate and animals are present, SteriScent™ is the perfect scented MEDIUM LEVEL disinfectant for use in offices, hotels, public toilets, beauty salons, hair dressing salons, child care and frail care facilities.
